

Youth Gardening Rules for National Contest

SUNFLOWER

You must send in registration form as soon as you apply for the contest. Each club or sponsoring mentor may set up their contest and follow the progress any way they wish. Clubs can end their contest whenever and however they choose. Set your time and date, then invite families to this meeting of recognition, celebration and/or rewards. Provide enough time for each youth to talk about their gardening experience and answer questions. All paperwork for national is due **OCTOBER 15, 2022**. Mail your completed paperwork to the Youth Gardening National Chair: Cheri Kessen, 1205 Limberlost Trail, Rome City, IN 46784 or goafortwayne@gmail.com. Mail the three required digital photos (one from each phase) to goafortwayne@gmail.com. We need large-format photos for good reproduction; please label the photos with the youth's name and age.
