***GOLD, SILVER, BRONZE AND HONORARY AWARD
DONATION FORM***

TGOA/MGCA introduces a new program designed to help the organization work better for you and also to help the individual with a tax deduction. TGOA/MGCA is a 501(c)3 organization which allows the donor to use their donation for a tax deduction.

This program does not replace the original donation/memorial form which is used basically by clubs donating monies in memory of someone.

The Gold, Silver, Bronze and Honorary program will be for a calendar year at a time. Each donation will be recorded for the individual and will accrue until December 31st of each year. Then donations will be categorized into their appropriate category (Gold, Silver, Bronze and Honorary) and the appropriate awards will be sent to the individual. You may choose which fund (or even a special project) that you wish your donation to support.

National will award all participants with recognition in the newsletters, a certificate and a pin appropriate for the category the donations fit in.

Please circle your preference for the distribution of your donation: Building & Grounds; E&I Fund; Scholarship Fund; Gardening from the Heart; General Fund or Other: _____
